- Unwaxed dental floss
- Seam sealant and wax paper
- Fabric glue stick
- Embroidery floss for hair in the color of your choice

Equipment

- Basic sewing tools (see **Tools, Tips, and Techniques**)
- An open embroidery foot to use when following sewing lines for arms and legs
- One at least 2 1/4 inches long needle for stringing the arms and legs
- Stuffing tools such as a hemostat, chopstick, and an inexpensive paintbrush (use the smooth end)
- A cylindrical object to keep the neck open while attaching the head
- Doll hairbrush, toothbrush or fine comb to separate embroidery floss
- Bodkin for threading elastic through the casing (panties)
- Miniature clothes pins (sandals)

Skills

- Color face with pen and pencil
- Attach head to body with ladder stitch
- Hand sewing fingers and toes
- Stringing arms and legs

Bonus Sheet

- Prepare fabric and print face outline with a computer printer (optional)
